FREE PARKING

August 24th 2024

Lincoln Regional Airport in Lincoln California

5:30AM - 2PM

The event will kick off with the enchanting sight of hot air balloons ascending at dawn, setting the stage for an exciting day ahead. This will be followed by the arrival of various aircraft, ready for static displays and breathtaking flybys, alongside an impressive collection of display vehicles spanning numerous categories. This year, we're elevating the experience even further by introducing additional aircraft, a greater number of cars, more hot air balloons, and an expanded selection of food and artisan vendors.

Additionally, we're enhancing the Kids Fun Zone and Food Truck Zone, promising even more entertainment and culinary delights. Not to be missed is the expanded Youth Aviation Learning Experience, which now includes flight simulators and engaging activities designed to captivate both the young and the young at heart. Get ready for an event brimming with more sights, flavors, and fun educational opportunities than ever before!

## **Tuesday, August 27, 2024**

---
